2024 HURON COUNTY 4-H HORSE PROGRAM AND SHOW RULES

WELCOME TO THE HURON COUNTY 4-H PROGRAM IN 2024!

As your 4-H club organizes this year, you will find some very important information in this project requirements letter. The Family Guide to 4-H contains information on more than 150 possible 4-H projects. It is to be used, along with this letter, when selecting projects. Knowing the requirements of a project, when it will be judged, and what you will have to exhibit will help you make the best choice. Parents should participate in the project selection process and should read this requirements letter carefully before enrolling in projects.

HURON COUNTY 4-H GUIDELINES

1. **MEMBERSHIP ELIGIBILITY:** As of January 1, eligibility for participation in 4-H projects and competitive events begins when a child is age 8 and in third grade. Any youth aged 9 or above is eligible for project membership, regardless of grade level. 4-H membership ends December 31 of the year in which you turn 19. *OSU Extension embraces human diversity and is committed to ensuring that all research and related educational programs are available to clientele on a nondiscriminatory basis without regard to age, ancestry, color, disability, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, race, religion, sex, sexual orientation, or veteran status. This statement is in accordance with United States Civil Rights Laws and the USDA.*

2. **MEETING ATTENDANCE:** Your club must have at least eight meetings each year and you must attend at least six to complete your year's membership and exhibit at the fair. Your club may have additional requirements, i.e., attendance at riding meets. Check with your advisor. You may be excused from meetings for other 4-H activities or for school activities. Meetings missed because of work, community baseball, family vacations, etc. are not excused.

3. **ENROLLMENT:** Families will self-enroll in 4-H, through 4-HOnline. Families will be given instructions explaining the process of self-enrolling in the 4-H database. Members will enroll themselves in their club and 4-H projects during the self-enrollment process.

4. **PROJECT ENROLLMENT FEES:** There is a \$8.00 per project enrollment fee. The enrollment fee will include one project book, up to \$8.00 in value. Members in the second year or third year of the Horseless Horse project, may use the same book, but must pay \$8.00 to enroll in the project each year. Most horse project manuals require an Equine Record Book, which also costs \$8.00. Beginning Horse Management, Horse Training and Trail Riding cost more than \$8.00 for each manual. Check this letter for exact costs. **Each family must have an updated Uniform Rules for 4-H Horse Shows (2024) book, \$8.00, PDF available for \$6.50.**

5. **PROJECT SELECTION:** Projects should be selected based on age, interest, and/or previous experience. See Horses on pages 16-17 in the 2024 Family Guide to 4-H.

6. **PROJECT REPETITION:** If a member feels that he/she has not mastered the information in any project book, they should repeat that project. A member should not progress through the projects too fast, or they will run out of project options for their remaining years in the project area. Each project may be taken multiple times, but the same project may not be taken indefinitely.

7. **HORSE OWNERSHIP DATES:** All horses taken as 4-H projects must be under your care by May 15. Horse information sheets and pictures must be turned in to the Extension Office in a club photo album by 4:30 p.m. on May 15. Only horses included in your club horse photo album are eligible for exhibition. Make sure back-up horses and leased horses are clearly marked. Only one project animal per exhibitor may be taken to the fair.

8. **4-H AND FFA JOINT MEMBERSHIP:** An individual may be enrolled in both 4-H and FFA; however, separate and different projects shall be carried by the member. For example, one may take a pleasure horse in 4-H and a production or draft horse in FFA. Only 1 animal may come to fair.

9. HORSE PROJECT COMPLETION REQUIREMENTS:

- All horses must be vaccinated with a 5-way vaccine. See General Rule 11, pg.2.
- Members must participate in their skillathon to complete their project requirements and to receive a West/East Lot parking pass.
- All project and record books must be complete and turned in at skillathon.
- If a member does not take a horse to the fair, they may write a letter to the 4-H Committee asking to be dismissed. It is no longer an option to interview out with a superintendent.

10. FAIR ENTRY AND RELEASE DEADLINES:

- Traffic flow for livestock (except rabbits, chickens, waterfowl, pigeons, and turkeys which go directly to their barns) when entering the fair is to enter on the racetrack and go right around the track to the fire station. All vehicles should exit through the West Lot gate.
- All Junior Fair Horses enter on Sunday, Aug. 11 between 1:00 p.m. – 2:00 p.m. After vet inspection, members will walk their horse to the horse barn.
- All still projects (including Horseless Horse posters) enter the fairgrounds on Sunday, Aug. 11 between 10:00 a.m. - 3:00 p.m. Horseless Horse posters are turned in at the Junior Fair Office.
- All livestock and still projects are released on Sunday, Aug. 18 between 8:00 a.m. - 12:00 p.m. Horseless Horse posters will be displayed & picked up in the Miscellaneous Building.

11. **PARENTAL ACCESS TO JUDGES AT THE FAIR:** No one may talk to the judge or enter the ring during a show. AFTER the show, requests to speak to the judge must go through the show steward or superintendent. IF the judge agrees to take questions, the exhibitor must be present and ask the questions.

12. **RING ETIQUETTE:** Ring etiquette is about common courtesy, manners, and safety. Getting caught up in competition and winning ribbons may cause exhibitors and spectators to forget proper behavior. Our focus should be on doing our personal best, helping others, having fun, making friends, and creating lasting memories!

***Mandatory Meeting TBA!**

General Rules

1. Members must self-enroll in their club and projects by May 1.
2. Members must have animals in their continual care by May 15.
3. A member cannot change or switch projects after May 15, unless there is an approved grievance. Changing to a back-up horse is allowed and classes may be re-evaluated.
4. Members may enroll in any horse project to qualify for any class at the fair (ex: you do not have to take the gymkhana project to participate in the gymkhana classes). Exceptions:
 - #187 Roping- members must enroll in the project to participate in the class.
 - #175 Horseless Horse- members are not permitted to bring a horse to the fair.
5. Anyone leasing a horse, pony, or miniature (back-ups included) must file a completed lease by May 15th, signed by the animal's owner, the 4-H member, the member's parent/guardian, and the 4-H advisor. Horse Council will review leases at their May meeting to assure they meet the conditions of a 4-H horse project. Leases are not final until receiving approval.
6. Members must practice with and show their own horses, ponies, or small equine.
7. Horse Measuring Guidelines:
 - The animal may be measured barefoot or shod (option up to exhibitor, but the animal must be shown as measured; animal may be measured barefoot and have 5/16" added to the height and be listed as shod for showing).
 - A horse is over 58", a pony is 58" or under, and small equine is 38" and under.
 - Animals may show in a class for animals larger than they are, but never in classes smaller than they are (this includes animals in gymkhana classes). Youth may not show in classes of different animal height in the same show/fair.
8. Each club with horse projects must have a representative at every Horse Council meeting to have privileges to vote at the July and September meetings.
9. Each club with horse projects must submit a completed Horse Photo Album and Horse Information Sheets to the extension office by 4:30 p.m. on May 15th. The advisor or an adult at ride night (or special meeting) will take current pictures of every horse in their club. The photo album must contain four (current) pictures for each horse, showing BOTH side views, front and rear of all project and back-up animals. Besides the four pictures, each horse must also have a completed Huron County 4-H Horse Identification Form. NOTE: Each exhibitor is limited to 1 project horse and 2 back-up horses. Photo albums and leases will be checked by Horse Council at their May meeting. Any leases not approved and incomplete photo/info sheet entries must be corrected by June 1, or the animal becomes ineligible.
10. All horses and ponies used as a 4-H project and exhibited at the fair MUST have a minimum body condition score of 4, not be obviously sick or exhibit a Grade 3 or greater lameness. (See 2024 Uniform Rules, page 11) Procedure for 2024:
 - Review picture books at May Horse Council meeting, advisors will notify members in their club of any flagged horses.
 - Flagged project animals must have a new set of 4 pictures turned in within 2 weeks of the May meeting. Executive Committee will meet shortly thereafter to review the second set of pictures, compared to the first set.
 - Project animals showing no improvement: The exhibitor must contact a vet to schedule a visit. The evaluation by the vet must take place between July 10 – July 14. The vet will use the body scoresheet, which must be signed by the vet with the date of evaluation. If the vet determines the body score is less than a 4, the equine cannot come to the fair. Note: The exhibitor will be responsible for the cost of the vet visit.
11. All project animals, including back-ups, must receive a 5-way vaccine (EEE/WEE, Tetanus, Influenza, and Rhino, or a combination with Rabies). It is also strongly recommended that they be vaccinated for Rabies. Exhibitors should discuss their vaccination program with their veterinarian. The vaccinations must be given and uploaded to 4HOnline by the fair entry deadline of July 8. A vaccination form must be completely filled out and signed by the veterinarian or horse person administering the vaccination. If the vet administered the vaccination and is unable to sign the form, a vet receipt will be accepted. Failure to turn in a completed vaccination form by the deadline will result in the equine being ineligible for fair.
12. Others may ride the exhibitor's project horse in Fun Shows, using the owner's discretion. A signed liability waiver is required.

Back-Up Animals

1. Each member may list their project horse and up to two back-up horses. A back-up horse may be listed by up to 3 members. Back-up horses are secondary project animals, so the exhibitor must work with the horse and be involved in its care throughout the season. All back-up horses not owned by the exhibitor or the exhibitor's family must be covered by a valid lease.

MANDATORY 4-H HELMET POLICY

Following is the wording as it is stated in the Uniform Rules for 4-H Horse Shows, #1 on page 6, with regards to the mandatory helmet policy. For further information, please contact: Dr. Kimberly Cole, Extension Equine Specialist at cole.436@osu.edu. This policy has been adopted by the Huron County Agricultural Society and is in effect at all 4-H & Junior Fair equine activities, including work nights.

“All youth age 19 and under, participating in any 4-H equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards with the chin harness securely fastened at all times while riding or driving an equine.

It is the responsibility of the rider, or the parent or guardian of the youth participant, to make sure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use and is properly fitted and in good condition. The Ohio 4-H Horse Program, show committees, officials, Extension personnel and volunteer leaders are not responsible for checking headgear worn for such compliance.

The Ohio 4-H Horse Program, show committees, officials, Extension personnel and volunteer leaders make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, as no helmet can protect against all foreseeable injuries in equestrian activities.

The Ohio 4-H Horse Program, show committees, officials, Extension personnel and volunteer leaders may, at his/her discretion, check a participant’s protective headgear for proper standards. If the youth is found to be wearing unapproved, defective, or improperly fitted headgear, he/she is not permitted to participate in riding or driving activities until proper headgear is acquired.”

Huron County additional helmet rule: Loss of safety headgear from the exhibitor’s head while in the arena for any gymkhana class will result in disqualification.
