CLOTHING – The weather has been unpredictable; make sure you pack comfortable clothing for a variety of temperatures. Put your name on all clothing items. Do not bring good clothes to camp. T-Shirts are probably the best option for what to bring to camp! Just a rule of thumb: If you have to ask if something is appropriate or not the answer is probably “no.”

CELL PHONES, TABLETS, PAGERS, FITNESS TRACKERS, SMART WATCHES & OTHER ELECTRONIC EQUIPMENT - No cell phones, pagers, iPods, electronic tablets, fitness trackers, smart watches or other electronic equipment are permitted in the cabins. These types of items need to be left at home! Electronic devices brought to camp will be confiscated. Adult staff will have cell phones for emergency calls. We need parents to help us provide a camping experience that emphasizes developing independent life skills in a group environment. There are also privacy concerns with electronics, since so many may be used as cameras.
