

CONSUMER SHOPPING SHEET

This worksheet should be completed at the fabric store when you purchase your pattern, fabric and notions for your 4-H project. Each member should complete one of these for EACH construction project you take. Include all fabrics and notions you purchase to complete each project. Completing this worksheet will help you be sure you get everything you need for your project in one shopping trip. It will also help you learn about fabrics and textiles. You will know how to care for and handle your fabric. Attach your sales receipt(s) to this sheet and bring it along with your completed project book to judging.
