Huron County  
Horse Vaccination

- All equine exhibited at the Huron County Fair, including backups, must receive a 5-way vaccination (EEE/WEE, Tetanus, Influenza, and Rhino, or a combination with Rabies). It is also strongly recommended that they be vaccinated for Rabies.
- Exhibitors should discuss their vaccination program with their veterinarian.
- Forms must be turned into the extension office by July 1<sup>st</sup>; in person by 4:30 or emailed by 11:59pm.
- *Failure to upload this required vaccination form by the deadline will result in the animal being ineligible for fair.*
- A booster shot should be given 30 days prior to the fair for animals vaccinated early in the year.
- The vaccination form must be filled out and signed by the veterinarian or horse person administering the vaccination. If the vet is unable to sign the form after administering the vaccination, a vet receipt will be accepted.

-----
